BI Norwegian Business School | Oslo

Relevant Experience

Lionchase North America, Inc. | Washington, D.C. (Remote) May 2025 – Sep 2025
Private Equity Analyst Intern

- Built detailed **valuation models (DCF, comparables, scenario analysis)** to assess private equity and structured preferred equity investments.
- Conducted **portfolio monitoring** and **KPI analysis**, integrating **dashboards (Excel & Python)** for tracking company performance and deal outcomes.
- Researched investment opportunities in **AI, energy, and infrastructure sectors** to support **fund strategy** (Equation Fund).
- Collaborated with the **President** on **investment materials**, including **pitch decks** and **fund formation documents**.

Landkreditt Bank AS | Oslo, Norway Jun 2023 – Aug 2024
Junior Financial & Business Controller

- Managed financial control and operations for Landkreditt Housing Credit, including controlling accounting, preparing financial reports, budgeting, and financial forecasting.
- **Devised a new and more efficient method for reconciling accounts**, utilizing advanced **Excel** and **Python** scripts, leading to significant time savings and improved accuracy. **Increase efficiency 50%**
- Collaborated on implementing a **new invoicing system**, enhancing invoicing processes, and **boosting efficiency** across the organization. **Increase efficiency by 30% and saved money by receiving less debt collection**.

Controller (part-time) Apr 2022 – Jun 2023

- **Managed daily financial operations**, including financing needs, security checks for Landkreditt Housing Credit, volume and limit control for Landkreditt Insurance loans, and monitoring the Liquidity Coverage Ratio (LCR).

Intern (Finance Department) Jan 2022 – Apr 2022

- Gained hands-on experience in **bond issuance and sustainable finance by contributing to the setup of bond funds and the launch of green bonds**.
- Managed the bank's liquidity operations over a one-month period, handling \$100–\$150 million USD in cash flow.
- **Negotiated with banks to secure optimal interest rates while managing liquidity**, strengthening both negotiation skills and strategic financial management capabilities.

Relevant Projects

Hedge Fund Pitch Simulation, Hult International Business School | Boston, MA Dec 2024

- Achieved top Hedge Fund status and one of **only two** teams to earn an **'A'** by securing **\$1 billion** in simulated Sovereign Wealth Fund capital.
- Pitched an **event-driven investment** thesis focused on AI-driven semiconductor growth, identifying opportunities in ASML, ARM, and TSMC while shorting Wipro and Infosys.
- Commended for advanced event-driven thinking, effective risk management, and a professional, competitive pitch in a real-life simulation.
